YOU HAVE WHAT IT TAKES

Discipleship takes commitment.

We believe that kids need adults who know them personally, help them to feel seen and heard, and are committed to showing up for them- no matter what. You can make a difference in the life of a child this year.

'A' Leaders are people who are deeply invested in knowing their students and being a source of encouragement and stability in their experience of church. **These leaders are committed to attending Kids Church at least 2 Sunday's a month.** These leaders regularly give input and suggestions in how to help their students engage with faith and build lasting friendships with their peer community.

'B' Leaders are people who engage regularly with the students and create safe spaces for their students to be authentic and to creatively explore scripture. **These leaders are committed to attending Kids Church at least 1 Sunday a month.** These leaders play a vital role in building community in their student group.

'C' Leaders are people who play the necessary role of stabilizing the Children's program during the absence of the A and B leaders, or when the program experiences unexpected growth. **These people are available 3-4 times a ministry year when needed and provide necessary coverage.** These leaders may not be able to attend leaders meetings, but serve faithfully and with love when called upon.

LETS GET STARTED

You make all the difference!

Whether you can commit a little, or commit a lot, your contribution to this community makes a massive impact on our kids. Thank you for linking arms with us and making this a place where faith can flourish.
